Dear Amanda

Re: Fundraising for RACQ Capricorn Helicopter Rescue Service

Further to our recent phone conversation, we are grateful for your offer of "In Kind" sponsorship during the Gladstone Resource and Industry Expo to be held in April 2011.

The RACQ Capricorn Helicopter Rescue Service is heavily reliant on the community for support and fundraising activities to raise the necessary funds to maintain a free service for all Central Queenslanders. It is necessary to raise approximately one half of our funding to keep the helicopter operating which equates to over \$1.5 million this year.

On behalf of RACQ Capricorn Helicopter Rescue Service, we would like to extend our thanks and very best wishes for your expo in Gladstone.

We greatly appreciate your support.

Yours sincerely
